## Decision

**Matter of:** FMC Corporation

**File:** B-265965

**Date:** September 8, 1995

### DECISION

FMC Corporation protests the award of two sales contracts by Martin Marietta Energy Systems, Inc., a management and operating contractor for the Department of Energy (DOE), for a quantity of government-owned chemical compounds.

We dismiss the protest.

As the protester correctly points out, we no longer entertain protests of procurements conducted by DOE's management and operating prime contractors. See Geo-Centers, B-261716, June 29, 1995, 95-2 CPD ¶ \_\_\_\_\_. Moreover, our regulations provide for consideration of protests involving sales of government property only if the federal agency involved agrees in writing to have us do so. See 4 C.F.R. § 21.11. DOE has not done so. Under these circumstances, there is no basis for us to review the protest. See Columbia Communications Corp., B-236904, Sept. 18, 1989, 89-2 CPD ¶ 242.
